## EDUCATION

University of Pisa - **Master's Degree** in Digital Humanities: Language Technologies

► Supervisor: Dr. Riccardo Guidotti. Mark: 110/110 with honors  
Thesis project on Fairness Auditing in Abusive Language Detection Systems carried out in the field of *Explainability and Fairness in ML*  
FEBRUARY 2019 - JULY 2021

University of Pisa - **Bachelor's Degree** in Digital Humanities

► Supervisor: Dr. Maria Claudia Buzzi. Mark: 109/110  
Thesis project carried out in the field of *Assistive Technology for Education*: development of a website for the research of tools and ICT (Information and Communications Technology) resources to support cognitive training.  
OCTOBER 2015 - FEBRUARY 2019

## OTHER TRAINING

Domestika, Data Visualization and Information Design: Create a Visual Model - Online course  
OCTOBER 2021 - IN PROGRESS

Norwegian Open AI Lab and Norwegian University of Science and Technology - accepted at **Nordic Probabilistic AI School** (held virtually)  
14-18 JUNE 2021

University of Helsinki, Elements of AI and Ethics of AI - Online courses attendance

► Courses aimed at building AI literacy (both from a theoretical and practical point of view) and developing critical thinking about the ethical aspects of AI and AI ethics as a discipline  
JANUARY 2021

Eduopen Network with Ca' Foscari University of Venice, Language, gender identity and Italian - Online course attendance

► Course aimed at developing competencies on morphological, syntactic and semantic properties of Italian, to make conscious and motivated linguistic choices in order to respect equal gender opportunities  
DECEMBER 2020

## RESEARCH INTERESTS

NLP; XAI; Fairness in ML;  
Algorithmic bias; Algorithmic Auditing; ML Evaluation; Data awareness; Digital Discrimination;  
Intersectionality; Hate Speech Detection; Abusive Language Detection Systems

## SKILLS

**Coding:** Python (especially for Natural Language Processing), JavaScript, JAVA, PHP. Other: HTML, CSS, SQL, XML

**Softwares:** in-depth knowledge of teaching tools and methodologies for e-learning through Moodle; WordPress; Adobe suite (InDesign, Illustrator); GreenStone for Digital Libraries

## LANGUAGES

Native speaker: Italian

British School Livorno - **First Certificate in English (FCE). Passed at Grade A (C1 CEFR Level)** obtained in May 2019

European Information Science Education - winner of a scholarship for  
**Summer School on Information Science** in Osijek (Croatia)  
1-7 SEPTEMBER 2019

## RESEARCH AND WORK EXPERIENCE

AIUCD2021 - **Assistant moderator** during the talk sessions  
20-22 JANUARY 2021

Digital Humanities group, Fondazione Bruno Kessler - **Traineeship**

► Fairness analysis of abusive language detection systems detecting unintended models biases with CheckList: creation of synthetic linguistic data to test a range of social prejudices (e.g. sexism, racism and ableism)

OCTOBER - DECEMBER 2020

University of Pisa - **Academic Tutor** of the course *Programming and Theoretical Fundamentals*

► Assistance during the laboratory: preparing exercises and assignments, helping students with coding during classes, clarifying basic constructs and concept in Javascript

OCTOBER - DECEMBER 2020

Institute of Computer Science and Telematics, CNR of Pisa -

**Traineeship** in *Assistive Technology for Education*

► Mapping and categorization of ICT resources to support cognitive training through the construction of an inventory of tools available on the internet; Implementation of a digital catalogue to make the collection usable

MAY - SEPTEMBER 2018

## PAPERS

Marta Marchiori Manerba and Sara Tonelli. Fine-Grained Fairness Analysis of Abusive Language Detection Systems with CheckList, Workshop on Online Abuse and Harms (5th WOAHI), 2021

Marta Marchiori Manerba and Riccardo Guidotti. FairShades - Fairness Auditing in Abusive Language Detection Systems

► currently in preparation

## PARTICIPATION AS AUDIENCE AT CONFERENCES, FESTIVALS, SEMINARS, WORKSHOPS

King's College London AI Society with Microsoft Student Ambassadors  
*The Carbon Footprint of AI* - Seminar attendance  
9 MARCH 2021 (ONLINE)

ACM FAccT *Conference on Fairness, Accountability, and Transparency* - Attendance to Tutorials and CRAFTS Sessions

4 - 5 MARCH 2021 (ONLINE)

## PROJECTS

I have gathered on my website relevant projects carried out during university

## RESEARCH BLOG ARTICLES

Algorithmic discrimination, between human biases and automatic decisions

## MEMBERSHIPS

Associazione Italiana di Linguistica Computazionale (Italian Association of Computational Linguistics)  
FEBRUARY 2021 - DECEMBER 2021

Associazione per l'Informatica Umanistica e la Cultura Digitale (Association for Digital Humanities and Digital Culture)  
JANUARY 2021 - DECEMBER 2021

## OTHER MEMBERSHIPS

Supporter of Algorithmic Justice League  
2020 - IN PROGRESS

LIBERA (Organisations, names and numbers against mafias)  
FEBRUARY 2021 - DECEMBER 2021

EAI (Italian Environment Fund) - Non-profit foundation with the aim of protecting and enhancing Italy's historical and artistic heritage  
MARCH 2019 - IN PROGRESS

CLIC-IT 2020 *Seventh Italian Conference on Computational Linguistics*

1 - 3 MARCH 2021 (ONLINE)

Trieste Next - Scientific Research Festival *The future of science and humans in the age of augmented intelligence* - Participation at the Academy Program

27-29 SEPTEMBER 2020 (TRIESTE, ITALY)

Informatici Senza Frontiere (*Computer scientists without frontiers*) - Festival attendance

► Topics addressed: *computer literacy, ethical computing, sustainability, assistive technologies for disability*

12-14 OCTOBER 2018 (ROVERETO, ITALY)

## **VOLUNTEERING AND OTHER EXPERIENCES**

KRINO - Board member (2021)

► Cultural association that organizes panels, workshops and events within the field of Digital Humanities, with the aim of integrating and contaminating sciences and arts

- Active participation in projects of critical divulgation of topics such as: computational thinking, datafication, digital culture, demystification of AI systems, digital art, live coding
- Collaborative and collective writing and editing of posts, articles, newsletters
- Internal training sessions

NOVEMBER 2019 - IN PROGRESS

AGESCI (Association of Italian Guides and Scouts) - Scout educator

► Association contributing to the education and personal development of youth according to scouting principles and methods

- Organisational and coordination skills; ability to work in teams and on projects
- Communication and relational skills developed as educator; aptitude for listening and confrontation

SEPTEMBER 2017 - IN PROGRESS
